

MARQUIS MACETEROS Ø60x50

By Estudi{H}ac

Marquis nace de la inspiración del tallado de los diamantes.

Su diseño de figuras poligonales alude a las facetas conseguidas a través de su corte. El juego de sus formas claras y de gran estilo consiguen un gran impacto visual. La continua búsqueda por intentar aportar algo diferente permite crear piezas de una estética muy formal pero a la vez sorprendente, por sus juegos de geometría.

La lámpara de mesa de forma circular u oval, en 5 combinaciones de atrevidos colores ofrecen gran dinamismo al espacio.
