

WALL STREET SGABELLO

By Eugeni Quitllet

An Urban-Nature chair, which combines technology and sensuality to honor an idea: that of sitting down to think, dream, speak... To be close to the sea and the city at once; It's a mix of emotions which takes you to other possible realities. A unique chair that is repeated endlessly to be shared with others. Its lightness, material and sensual and elegant shapes create a unique object for using inside or outside.
