

Adan planter 70x96x100

by Teresa Sapey

With the Adan collection, Teresa Sapey proposes a reinterpretation of design as a living, changing art. Inspired by the fascinating geometry of a diamond, Adan displays a robust and playful personality that seduces both indoors and outdoors. More than just a decorative object, each piece is a reflection of character and magnetism, evoking the essence of an art that is felt and transforms the environment at every angle.
