Hamptons low tables

by Ramón Esteve

Hamptons, the **new collection of <u>designer outdoor furniture</u>** consists of a set of pieces where a careful selection of fabrics and patterns evoke that "lifestyle" where elegance is perceived in the finest details.

Info

Description

The low table in the collection stands out for its aluminium structure, which makes it lightweight and sturdy, ideal for outdoor use. The surface is made of HPL sheets, a durable and easy to maintain material.

The polished aluminium legs add a touch of elegance and shine. Available in a wide variety of colours for both the aluminium frame and the HPL surface.

Weight: 34.74 Kg
