

Biophilia coffee table 101x67x

by Ross Lovegrove

Ross Lovegrove's Biophilia collection is a magnetic encounter between nature and design, where each piece seems to emerge from the earth with a life of its own. Inspired by the fluid forms of Art Nouveau and the organic majesty of Antoni Gaudí's Sagrada Família, Biophilia invites you to rediscover a connection with the natural environment through an aesthetic that breathes, flows and blends in with the space.

Info

Description

Made of polyethylene resin by rotational moulding. 100% Recyclable. Item suitable for indoor and outdoor use. Available in different finishes.

Weight: 15 Kg
