

Madison dots

by Eugeni Quitllet

Eugeni Quitllet gives life to Madison, a chair born of the inexhaustible pulse of Manhattan. Inspired by the atmosphere of a New York avenue that combines history and modernity under a single heartbeat, celebrating the changing attitude of the great city and its unmistakable lifestyle.

Info

Description

Madison Dots, designed by Eugeni Quitllet, stands out for its subtle perforations on the seat and backrest, offering a fresh and ventilated appearance. It is made of high-performance resin, capable of withstanding temperature changes and UV rays.

Its structure maintains the urban elegance of the collection, while the carefully calculated ergonomics guarantee comfortable seating. It is a practical piece with a distinctive aesthetic.
