## Tulum coffee table

by Eugeni Quitllet

Tulum, designed by <u>Eugeni Quitllet</u>, is a collection of <u>designer furniture</u> to live freely anywhere in the world.

#### Info

#### Description

The coffee table in the collection is characterised by its aluminium structure treated with epoxy paint and precise welding, guaranteeing durability and strength. Its surface is made of Indonesian teak wood

slats, adding a touch of natural elegance.

This table perfectly combines high quality materials with an aesthetic design.
