

Milos nano planters

by Jean-Marie Massaud

The Milos collection is the fruit of a collaboration between Vondom and renowned French designer Jean-Marie Massaud, combining simplicity and functionality in pieces that stand out for their bold design and comfort. With soft curves and shapes inspired by nature, the outdoor furniture collection offers a unique experience, which is why it has been awarded the prestigious Red Dot 2024 design award.

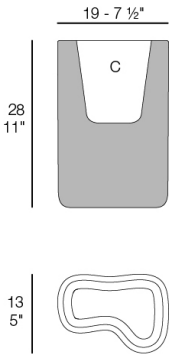

Info

Description

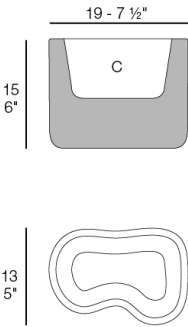

The planters in the Milos collection, designed by the acclaimed designer Jean-Marie Massaud, are made of polyethylene using the rotational moulding technique,

which guarantees exceptional strength and durability that is perfectly suited to the outdoor environment.
