

Pasadena daybed with sunroof

by Jean-Marie Massaud

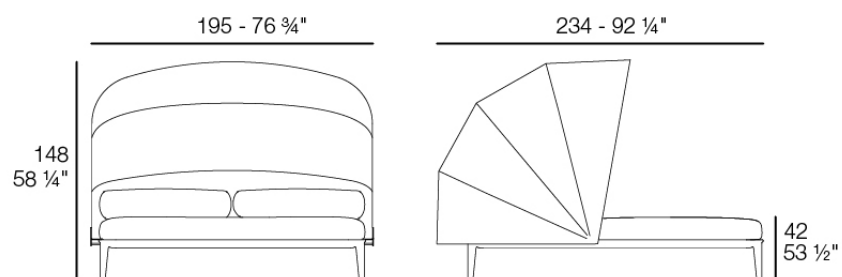

'The ambition of Pasadena is to reinterpret an archetype, to make an architectural product with this language and proportions, but generous in terms of comfort'. The complicity between Jean-Marie Massaud and Vondom beats strongly in Pasadena, a proposal that combines serenity and warmth. The result can be seen at a glance: soft profiles, balanced proportions and a comfort that invites you to let go from the very first moment.
