Gatsby prisma planter 60x60x100

by Ramón Esteve

The Gatsby collection, designed by Ramón Esteve for Vondom, recalls the Art Déco lighting. Those crazy twenties. “Something new, extraordinary, beautiful, simple but sophisticatedly designed” said Francis Scott Fitzgerald about his aims for the novel he was about to write. The Great Gatsby was born in an age of prosperity, parties and excess. They called it “the American Dream”.
