Gatsby wall 120x30x80
by Ramón Esteve

The Gatsby collection, designed by _Ramón Esteve_ for _Vondom_, recalls the Art Déco lighting. Those crazy twenties. "Something new, extraordinary, beautiful, simple but sophisticatedly designed" said Francis Scott Fitzgerald about his aims for the novel he was about to write. The Great Gatsby was born in an age of prosperity, parties and excess. They called it "the American Dream".
