

## Hamptons low tables

by Ramón Esteve

Hamptons, the **new collection of designer outdoor furniture** consists of a set of pieces where a careful selection of fabrics and patterns evoke that “lifestyle” where elegance is perceived in the finest details.

### Description

The low table in the collection stands out for its aluminium structure, which makes it lightweight and sturdy, ideal for outdoor use. The surface is made of HPL sheets, a durable and easy to maintain material.

The polished aluminium legs add a touch of elegance and shine. Available in a wide variety of colours for both the aluminium frame and the HPL surface.
