

LOVE CHAIR

By Eugeni Quitllet

This collection was designed by Eugeni Quitllet and inspired by the concept of "Love", a feeling that envelops body and soul, although it is invisible to the human eye it is a wonderful embellisher of everything that surrounds us. The injection technique used to manufacture this collection allows each piece to have its own personality, its simple and curved silhouettes, fit in an organic and natural way; this collection is suitable for both indoor and outdoor spaces.
