Adan planter 70x96x100

by Teresa Sapey

Teresa Sapey's ADAN contemporary Collection for Vondom is an extraordinary creation that exudes a lot of personality with its diamond-shaped facets. These versatile pieces go beyond just being contemporary planters; they can also be used as seats, flower pots, or even side tables. More than just objects, they are multifunctional architectural pieces that add a touch of glamour to any setting and blend seamlessly with any style. Designed with materials that can be used both indoors and outdoors, these pieces are perfect for enhancing your lifestyle.
