Quartz dining table 59×59

by Ramón Esteve

The Quartz collection of modern chairs and tables, designed by Ramón Esteve for Vondom, has a distinctive appearance characterized by **vertical lines** and triangular profiles. One of its outstanding features is the line of one of its vertices, which creates an impression of lightness, making the furniture seem almost weightless, while still ensuring robust functionality.
Crafted with high quality materials, this modern collection of chairs and tables is perfect for enhancing both indoor and outdoor spaces. With its elegant design and durability, the Quartz collection blends seamlessly into any environment, striking the perfect balance between form and function.
