## Gatsby sun lounger

by Ramón Esteve

The Gatsby collection, elegantly designed by <u>Ramón Esteve</u> for <u>Vondom</u>, embodies the essence of Art Deco-inspired outdoor living. Influenced by the lavish parties and opulent lifestyle of the Roaring Twenties, this collection embodies a blend of modernity and timeless sophistication.

"Something new, extraordinary, beautiful, simple but sophisticatedly designed" said Francis Scott Fitzgerald of his goals for the novel he was about to write, The Great Gatsby was born in a time of prosperity, parties and excess. It was called "The American Dream".
