

## Gatsby prisma planter 50x50x50

by Ramón Esteve

The Gatsby collection, elegantly designed by Ramón Esteve for Vondom, embodies the essence of Art Deco-inspired outdoor living. Influenced by the lavish parties and opulent lifestyle of the Roaring Twenties, this collection embodies a blend of modernity and timeless sophistication.

“Something new, extraordinary, beautiful, simple but sophisticatedly designed” said Francis Scott Fitzgerald of his goals for the novel he was about to write, *The Great Gatsby* was born in a time of prosperity, parties and excess. It was called “The American Dream”.
