### IBIZA FURNITURE COLLECTION

“Every idea comes from the light and the sea, as life does...

From the ephemeral beauty of a season to an everlasting piece to keep this moment of a dream in a permanent frame.

Observing the plastic objects brought by the sea, like artificial shells, it inspired me a unique **designer furniture collection** made of **recycled plastics** from the island.

**Ibiza** is an emotional state of mind. Together with **Vondom**, this dream has become true: **Ibiza** eco-collection is born.”
