Madison wood

by Eugeni Quitllet

Eugeni Quitllet gives life to Madison, a chair born of the inexhaustible pulse of Manhattan. Inspired by the atmosphere of a New York avenue that combines history and modernity under a single heartbeat, celebrating the changing attitude of the great city and its unmistakable lifestyle.

VONDOM

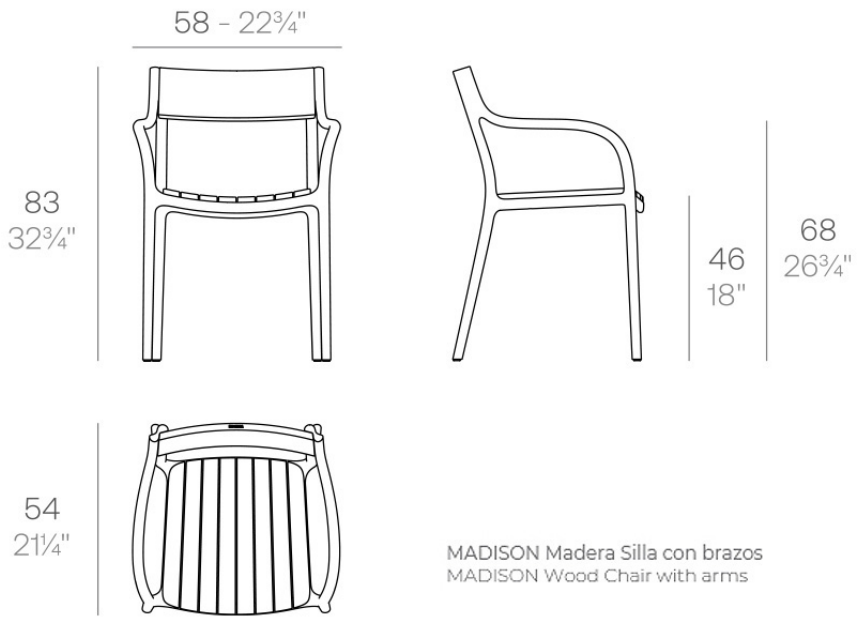

Info

Description

Madison Wood, designed by Eugeni Quitllet for Vondom, merges innovation with the timeless warmth evoked by wood. Its structure, made up of high-quality resin slats, is specially prepared for outdoor and indoor use, withstanding humidity and UV rays

without losing its elegant character. With an ergonomic backrest and an adaptable seat, it provides a prolonged comfort experience. At the same time, its clean lines and harmonious proportions reinforce a style.
