

## Pasadena table 120x80x28

by Jean-Marie Massaud

'The ambition of Pasadena is to reinterpret an archetype, to make an architectural product with this language and proportions, but generous in terms of comfort'. The collaboration between Jean-Marie Massaud and Vondom beats strongly in Pasadena, a proposal that combines serenity and warmth. The result is evident at first glance: soft profiles, balanced proportions and a comfort that invites relaxation from the very beginning.
