

Faz table 200x100x72

by Ramón Esteve

Faz is a minimalist collection of modern outdoor furniture and planters designed by Ramón Esteve for Vondom. He has designed Faz to harmonize with both homes and installations, using mineral and emphatic shapes to create a sense of serenity, timelessness, and universality. By skillfully combining materials and lighting, he has crafted an environment that surrounds and envelops, leaving only the impression of seamless fusion. In short, he is the mastermind behind Faz's ambiance.
