

# FAZ WOOD DINING TABLE 70x70x74

By Ramon Esteve

With a warmer, more cheerful, and original design, Vondom adds wood finishes to the legs of the classics Faz chair and bar stool. As well as the bases of the table in its three types. A reinterpretation that reinforces the inspiration of the collection based on minerals and their role in nature. The result is pieces imbued with a spirit of casual luxury, without departing from the ergonomic and elegant architectural forms of the rest of the collection.

Pieces that suit interior areas like lounges, dining rooms and much more. Available in variety of colours.

Faz, a collection that continues to grow, and is taking Vondom's design to a new territory. View online: <https://www.vondom.com/us/products/54311>
