

# GATSBY PRISMA TABLE LAMP

By Ramon Esteve

The GATSBY collection, designed by Ramón Esteve for VONDOM, recalls the Art Déco lighting. This lamp is based on the idea of creating a surrounding atmosphere through a suggesting play of lights by means of the lamp's surfaces, where the material reproduces the shapes and sensations of engraved glass.

rechargeable

light colour change \*

12 hours of battery \*

3 light intensities

tactile switch

wireless DMX system
